

# 1/2 HP

## CONVERTIBLE JET PUMP WITH ELECTRONIC CONTROL

	Shallow Well	Deep Well
Pumps up to :	805 US GPH	650 US GPH
Maximum vertical suction lift	25 Feet	70 Feet

 **Water Supply  
Pressure Booster**

 **Shallow Well  
Jet Pump with  
electronic control**

### PUMP CAPACITY

LIFT		LPH	GPH US
Deep Well Operation			
70'	21,0m	700	185
50'	9,0m	2460	650
Shallow Well Operation			
25'	7,5m	1060	280
5'	1,5m	3040	805

Friction in pipe not included

**- 1" suction  
and discharge**

**The electronic control  
PREVENTS THE PUMP  
from running dry**

- Cast iron pump body
- 115V motor, totally enclosed fan-cooled
- Bearing to bearing stainless steel motor shaft
- Full time running capacitor
- Stainless steel mechanical seal

**No need for a pressure switch  
and pressure tank.**

Water in  
PUMP SYSTEM
